

Job Title: Long-Term Substitute Teaching Faculty: Middle and Upper School Science Department

Start Date: August 19, 2022

Salary: Based on experience

Reports directly to: Middle and Upper School Division Director

Department: Middle and Upper School

Areas: Science: Chemistry, Physics

Position description:

Antilles School is seeking dynamic and talented teachers to join a committed team of educators in a collaborative environment that places a high value on flexible thinking and problem solving. Ideal candidates are passionate and self-motivated professionals, prepared to teach a range of college prep courses that support a wide range of learning styles and abilities. An understanding of, and a commitment to, a culturally and ethnically diverse population is essential. Teachers are expected to apply best practices and educationally sound approaches to integrating technology into the curriculum.

The current position potentially includes teaching 8th grade Physical Science, Upper School Chemistry and Honors Chemistry and Upper School Physics. The position may include opportunities to teach other courses in the future. The Antilles School Middle and Upper School science department is seeking a science teacher committed to creative delivery of content, hands on student experiences, and a willingness to collaborate with other faculty in the department

Qualifications include:

- Bachelor's degree or higher, required
- Demonstrated command of knowledge applicable to the position
- Understanding of pedagogy and fostering intellectual growth
- Ability to cultivate meaningful relationships with multiple constituencies
- Excellent communication skills
- Cultural competence
- Positive, detail-oriented team player with the ability to be self-directed
- Technological literacy

School Description:

Antilles School is an independent coeducational day school located on St. Thomas, in the US Virgin Islands. Antilles enrolls approximately 400 students in a toddler program through grade 12.

Excellence, Diversity and Community are the guiding principles for each day at Antilles. We pride ourselves on inspiring each student to reach his/her potential in a multicultural setting that is one of the hallmarks of our School. Antilles combines educational excellence and character development to transform our students into young adults prepared for college, career, and life. Antilles strives to develop the whole child through challenging academic courses, technology, music, art, and athletics.

Antilles School is committed to maintaining an atmosphere of collaborative learning, to building a diverse community based on mutual respect, and to fostering social and emotional learning as well as social equity, diversity, and inclusivity into our school life.

Antilles School is an Equal Opportunity Employer. Antilles does not discriminate on the basis of race, religion, color, sex, gender identity, sexual orientation, age, non-disqualifying physical or mental disability, national origin,

veteran status or any other basis covered by appropriate law. Employment decisions are decided on the basis of qualifications, merit, and demonstrated need.

Application Procedure:

Send letter of interest, resume, and references to Shannon Harris Head of School, Antilles School, 7280 Frenchman Bay, St. Thomas, VI 00802 or via employment@antilles.vi.
