Student Questionnaire

We would like to learn more about you and provide you the opportunity to express yourself in writing. During your campus visit, you will have the chance to tell us more about your passions and the things you enjoy. **This questionnaire is to be completed by you in your own handwriting on separate paper.** Your answers may be as extensive as you wish, and we ask that you answer each question in complete sentences.

FOR APPLICANTS TO MIDDLE SCHOOL ~ GRADES 6- 8

What extracurricular activities have you participated in, either in or out of school? Please include the name and description of the activity, the number of years involved, and if you wish to continue these activities at Antilles.

What is an accomplishment that made you proud of yourself? Why? What is your favorite subject in school? Why? What is your least favorite? Why?

If you could spend a day with one person (living, dead or fictional), who would it be? Why?

FOR APPLICANTS TO UPPER SCHOOL ~ GRADES 9-12

What extracurricular activities have you participated in, either in or out of school? Please include the name and description of the activity, the number of years involved, and if you wish to continue these activities at Antilles.

What is an accomplishment that made you proud of yourself? Why?

What contributions do you feel you could make to the Antilles community?

Choose an experience in your life that has proven to be valuable to you. Describe the experience and what you learned from it. How has it influenced your outlook and values?
