

3rd through 5th Extended Day Program for 2019-2020

Director: Carol Wax

The purpose of this Extended Day Program will be to provide a warm, nurturing environment similar to one a child would find at home. It will be a time to relax, a time to participate in optional activities, eat a snack and do homework. The program will take place in the Lower School Library. It will start at 3:20pm and run until 5:30pm each school day. All students not involved in a specific after school activity are expected to leave the Antilles campus by 3:20pm. Any student still on campus after 3:20pm will be included in the Extended Day Program and you will be billed accordingly.

The cost is \$15 per day and you will be billed at the end of each month. Parents are expected to pick children up by 5:30pm. Late pick-up fees will be assessed at \$1 for every minute late. For the safety and health of the children and for the quality of the program, we can only accept a limited number of children. You may sign your child up for the entire week or specific days. Unlike the ELC Extended Day Program, you may use this program on a drop-in basis. Please call the school ahead of time so Mrs. Wax (ext. 3601) will know to expect your child.

So that we may start the program smoothly, please fill out the form below and return it as soon as possible to your homeroom teacher or the Lower School Office. Thanks for your anticipated cooperation. **The first day of the program will be Monday August 26th.**
