

Antilles School anticipates openings for the 2017-2018 school year in English, History, Science, Physical Education and Health. Positions may be full- or part-time.

Antilles School is seeking dynamic and talented teachers to join a committed team of educators in a collaborative environment that places a high value on flexible thinking and problem solving.

Ideal candidates are passionate and self-motivated professionals, prepared to teach a range of college prep courses.

Antilles School is committed to maintaining an atmosphere of collaborative learning, to building a diverse community based on mutual respect, and to fostering social and emotional learning as well as social equity, diversity, and inclusivity into our school life.

**Duties and responsibilities include:**

- Preparation and implementation of daily lessons
- Delivery of assignments and timely evaluation of all relevant work and student progress
- Design and implementation of appropriate, authentic assessments and support of individual student learning styles, abilities, and achievement
- Timely and proactive communication with parents
- Timely and effective communication with all school constituencies
- Serving as an Advisor to small group of students
- Sponsoring and assisting with student activities, clubs, and organizations
- Collaborating with other members of the faculty, administration and staff on interdisciplinary and community-based opportunities
- Active participation in all faculty and staff meetings, parent nights, conferences, and school events
- Support of divisional and school-wide initiatives through committee work, where appropriate
- Supervision and/or participation in non-academic activities, including lunch and study hall

**Qualifications include:**

- Bachelor's degree (minimum) in subject area, teaching certification preferred or related teaching experience in secondary education
- Ability to foster positive relationships based on mutual respect and trust
- Demonstrated command of knowledge applicable to the position
- Ability to teach academic skills and foster intellectual habits
- Ability to communicate and interact effectively with multiple constituencies
- Excellent presentation skills
- Detail-oriented team player with the ability to remain positive and be self-directed
