

Dear Antilles Families,

Summer reading is an important part of your child's reading education. Research has shown that reading over the summer helps children maintain the skills and strategies they have developed during the school year and prepares them for the upcoming school year.

Remember, all students should bring required reading books with them on the first day of school, have read the novels in their entirety, and be prepared to discuss the text.

All required reading novels are being physically distributed to students.

Rising Grade 4

1. *Because of the Rabbit*, Cynthia Lord
